Checklist for New Home Construction

When applying for a Building Permit from the Waterford Township Development Services Department, an applicant must complete the typical items listed below. All forms and fees must be presented before the application can be processed. See page 2 for details on each form.

1. Application for Plan Examination and Building Permit.
2. Two copies of a certified survey, drawn to scale, indicating trees that will be removed and trees that will be saved. Survey must also indicate the elevation of the street and the elevation of the first floor.
3. Two sets of construction plans. *If the living space is 3500 sq. ft. or more the plans must be signed and sealed.*
4. \$270.00 Application Fee, which includes \$170.00 for Site Evaluation and \$100.00 for Woodland Review.
5. Street address must be obtained from the Waterford Township Fire Department (248-618-7562) prior to applying for permit. This may require more than one day.

The following items will be required before the Building Permit can be issued:

6. Soil Erosion Permit, issued by the Oakland County Water Resources Commission, (248) 858-5389
7. Driveway Permit, issued by the Road Commission for Oakland County (248) 248-858-4835

After an initial review of the information submitted, the Waterford Township Development Services Department may require any or all of the following documentation prior to issuing a Building Permit. Development Services Department will notify the applicant if any additional information is required.

10. Engineered Site & Grading Plan
11. Wetland Permit, issued by the Michigan Department of Environmental Quality, (586)753-3700

The Development Services Department will notify the applicant when the review has been completed and the permit is ready to be picked up.

With us there are no boundaries

1. APPLICATION FOR PLAN EXAMINATION AND BUILDING PERMIT
